Hose Bib Adapter
No-Lead Y-Branch Swivel with Shutoff Valves – 72009YS

FGHT x MGHT

A.Y. McDonald Mfg. Co. has expanded our already extensive line of Hose Bib Adapters to include a No-Lead Y-Branch Swivel with Shutoff Valves. You now have the ability to run two outlets from a hose bibb or sillcock instead of one. The 72009YS has a swivel for flexibility when hooking up to your hose bibb and it also comes with two shutoff points at each outlet. Whether you're washing your car or sprinkling your lawn, know that you can count on A.Y. to do them independently or all at once.
