

March 23, 2023

Dear A.Y. McDonald Plumbing Customer,

A.Y. McDonald Mfg. Co. will be implementing a 9% list price increase effective at 12:00pm (CDT), Monday, April 10, 2023, on all Chicago Fittings X-Risers (Product Class 111) and Chicago Fittings Couplings and Adapters (Product Class 112). Continued rising raw material costs, supply chain disruptions, and freight surcharges necessitates the need for this change. This price increase does not affect A.Y. McDonald Mfg. Co. Pump, Water Works, Natural Gas, or Plumbing products, excluding Product Classes 111 and 112.

Orders received with requested ship dates beyond April 10, 2023, will be entered using new pricing. Quantity ordered may be limited based on your prior twelve-month average usage. Current pricing will be applied to Chicago Fittings orders up to 10% of the last twelve months of purchases and all volume beyond 10% will be subject to the new pricing. For example, if a customer's last twelve months of Chicago Fittings sales were \$500,000, the customer's Chicago Fittings sales orders will be limited at current pricing from now until April 10, 2023, at \$50,000. Any additional Chicago Fittings sales during this time will have the price increase applied.

Excel and PDF files with new pricing will be available on our website on Monday, April 3, 2023. If you would like a link sent to you automatically, when it becomes available, please sign up for A.Y. Alerts, by visiting our homepage at aymcdonald.com or contacting your Territory Manager.

You may check your item net pricing after the effective date via our customer portal at aymcdonald.com. In the upper right corner of your screen, "login" to your customer account, add products to your shopping cart or use our new Price and Availability tool to see your item net pricing for any A.Y. McDonald Mfg. Co. products. Should you need assistance with pricing or logging into the customer portal, please contact our Customer Service Department by calling 1-800-292-2737 or e-mail sales@aymcdonald.com.

We realize the amount of work that it takes on your part to implement price changes. We strive to give advanced notice of price increase notifications, however due to current conditions, we may not be able to do that with future price adjustments. The A.Y. McDonald Family appreciates your understanding and thanks you for your support of our 167-year-old business. Please contact your Territory Manager or me directly with any questions you may have.

Sincerely,

Charles "Chip" Piekenbrock
Vice President of Sales
